Request for Proposal for Audit Services Teton County Weed & Pest District

PURPOSE & REQUIREMENTS

Teton County Weed and Pest (“the District”) is soliciting proposals for a standalone audit for a three year period of time starting with the fiscal year ending June 30, 2022 that will meet the requirements of the State of Wyoming and provide financial statements to be included in the Teton County Government general audit.

The audit needs to be completed by November 30th of each year. It is hoped that the actual in-house audit would take place between August 1 and September 30 annually. Exact dates to be coordinated with the District Supervisor and Bookkeeper. A copy of FY2021 audited financials available upon request.

Questions can be directed to:

Erika Edmiston, District Supervisor erika@tcweed.org

Sharon Parrott, District Bookkeeper sparrott@tcweed.org

DEADLINE Proposals must be submitted no later than January 18, 2022 at 5:00pm to be considered. Proposals will be considered at the District’s January Regular Board Meeting on Tuesday, January 25, 2022.

BACKGROUND Teton County Weed & Pest Control District is a special district political subdivision of the State of Wyoming established under W.S 11-5-101 to 303. The District’s mission is to protect, manage and restore ecosystem integrity through comprehensive invasive species management for the benefit of ecological and human health.
